

FACEBOOK WATCH PARTY SCRIPT

Yay! You're hosting a Facebook Watch Party!

We want to make sure you feel totally equipped to host an online Genesis Church service, so we've put a script together just for you. Make sure you read all the way to the bottom so you're ready for anything!

When someone joins your chat:

The idea here is to be welcoming and friendly. Using someone's name can go a long way when they join the chat! Here are some examples:

"Hey [insert their name], I'm so glad you're watching! Welcome to my church."

"Hi [insert their name]! Thanks for joining me for church today!"

You've got a group going, now service is starting:

During service, you have the unique opportunity to comment on the teaching in real time. Share your thoughts & ask your group to do the same.

"I feel that same way sometimes! What do you guys think?"

"Amen!" "What are your thoughts about the first point?"

It's time for the offering:

At this point, we want to connect everyone to online giving. Here's how to lead that moment:

"We are growing generations that transform communities! Here's the link to give online! <https://genesispeople.com/give> "

"You can also text "GiveHere" to 313131 to see the ways to give!"

"I just did my giving! Let me know if I can help you with yours."

Service is ending and there's a moment for a salvation decision:

This is the most important moment of the whole service! These are your friends, who now have an opportunity to know Jesus like you do. We want to celebrate them & connect them. First, we have to know who made the decision:

“I remember when I made the decision to follow Jesus! It was the best day of my life. Is there anyone who made a decision to follow Jesus today?”

Now, we want to connect them:

“[insert name], I'm so proud of you! One of our pastors would love to connect with you. After service ends, you can go to <https://genesispeople.com/faithtrack> or text "NextSteps" to **313131** and you'll be able to figure out what some next steps might look like for you!”

If you have someone new to Genesis Church at your party:

This is huge! Even though we're online, we want to be strategic in making sure no one walks alone. You can follow this script to connect them to our church:

“I'm so glad you joined me for church today! If you've never been to our church, check out <https://genesispeople.com> to see what we're about! We would love for you to fill out a digital guest card! Text "**GuestCard**" to **313131** to fill one out!”

Saying goodbye.

The least fun party of the party! It's okay though, you can still talk during the week. The goal before you go is to make an intentional connection with everyone who joined you. Saying a prayer for them and connecting them to our church resources are great ways to do this.

“I'm really glad you guys joined me for church today! This is my prayer for you...the Lord bless you and keep you, may he make his face shine upon you and be gracious to you. May he turn His face towards you and give you peace. Amen!”

“If you want to join me next week, I'll be hosting again and we can keep watching together!”

“We have some great resources for you! Have you heard of RightNow Media? It's our free gift to you! You can check it out by texting "**EZRightNow**" to **313131** or by visiting <https://genesispeople.com/rightnow>”.
